PAYMENTS OF FEES: We understand that the cost of childcare may seem expensive to parents / carers and therefore we continue to strive to be the most affordable local nursery; however, providing a high quality, safe and stimulating service for children is not cheap. To ensure continued high standards and sustainability of the setting we ask parents and carers to comply with this policy in respect of the fee payment. Fees are payable weekly/monthly in advance (must be paid and cleared five working days before your session starts). **If your child is absent from the nursery due to sickness, holiday or you miss any sessions for any reason, the full fee will be still payable.** The monthly fees are calculated by multiplying the weekly figure 4.33 (number of weeks in a month). You are still **required to pay full fee as normal for bank holidays, inset days or another other planned holidays according to our annual calendar.** To secure a place for your child we require a £50 administration fee (non-refundable) and £200 deposit (refundable subject to terms and conditions). This deposit is not refundable if you decide not to take up your child's place less than 6 weeks prior to the expected start date. We require at least 6 weeks (minimum 36 Calendar Days) notice in writing for any reduction in sessions or for end of service notice. Fees are reviewed annually.

ABSENCE: At Sahan you pay for your child's place and not for their attendance due to Nursery overheads still being incurred. There will be no reduction for sickness or occasional days off. However, you can book holidays without paying nursery fees during half-term, end of term or Christmas holidays. These holidays **must** be booked in writing via email to info@sahandaynursery.com and can only be booked during half term, end of term or Christmas holidays (highlighted pink in our annual calendar). The full nursery fee remains payable during term times even if you book holidays in advance. Child absences are monitored.

SICKNESS: Any child suffering from sickness or/and diarrhoea should be kept away from the setting for at least 48 hours. A child suffering from any other symptoms should be checked by their doctor. Should your child become unwell when with us, every effort will be made to contact you. We reserve the right to send home any child if such an action is deemed to be in the best interests of that child or other children. Full fee is charged for the days your child may be absent from nursery due to sickness. For full details, see our sickness and medication policies.

TRIP TO THE LOCAL PARK: As part of outdoor activity, we will be taking children to the local park everyday unless it is not safe for them to be outside. By signing this form, you give your consent for your child to go to the local park with our staff members during their regular sessions at Sahan.

ACCIDENTS AND ILLNESS: The nursery reserves the right to administer first aid and any emergency treatment as required. Parents will be informed of all accidents and will be asked to sign an Accident/Incident record form. If emergency treatment at hospital is required, the nursery will make all reasonable attempts to contact the parents but if this is not possible, we are authorised to act on behalf of the parents and authorise any necessary emergency treatment. We will administer prescribed medicines only if parents have completed a Medicine Consent Form. We may require parents to withdraw their child from nursery in the event that they require special medical care or attention which is not available or refused by the parent, or it is considered that the child is not well enough to attend nursery. We may also ask parents to withdraw their child from the nursery if we have reasonable cause to believe that the child is suffering from or has suffered from any communicable disease or infection and there remains a danger that other children may contract such a disease or infection. Parents must inform the nursery if the child is suffering from any illness, sickness, or allergies before attending the nursery. The nursery is mindful of the needs of working parents and will endeavour to provide as much continuity of service as possible within the recommendations of the Health Protection Agency by which the nursery is bound.

ARRIVAL AND DEPARTURE: Children must be collected from the Nursery only by an authorised adult. If you require any person other than parents or authorised adults to collect, notify us in writing and on collection, identification will be sought. We operate a password system and passwords must be known by any person collecting.

POLITENESS: Staff will always be polite and respectful to all families and visitors. The same courtesy is expected at all times.

PUNCTUALITY: Punctuality when collecting your child at times specified by you is appreciated. However, if you are unavoidably delayed, a phone call advising staff of your delay is necessary as we are required by law to inform social services and the police if we have not been contacted by the parent/carer within 30 minutes of the specified time. To cover our costs, we do reserve the right to charge for late pickups (please ask staff members for details late pick-up charges).

NOTIFICATION IF A PLACE IS NO LONGER REQUIRED: If you no longer require a place after registration, please advise us in writing as soon as possible.

CHANGE OF SESSIONS OR WITHDRAWAL OF A CHILD FROM NURSERY: One Calendar month notice is required (IN WRITING via email to info@sahandaynursery.com, we do not accept verbal notice to any staff member for any change in sessions) if you intend to reduce your sessions or withdraw your child from the Nursery. Alternatively, you will be required to pay one month's fees in full to cover the notice period.

CONTINUOUS ABSENCE: If your child is absent for two weeks or more without explanation and we are unable to make contact with you or your holidays are not authorised by the nursery manager, it will be assumed that the place is no longer required, or we may terminate your place and allocate to another child. Please notify us in advance if your child is unable to attend or latest by 7am (on the same day).

CHILDREN WITH ASTHMA: If the severity of your child warrants the use of an inhaler, please send it in labelled with the date and your child's name with the sessions they attend. Staff receive training on the use of these when required.

MEALS & SNACKS: The fee for a full day includes the price of meals, snacks, and milk for privately paying children. However, children who are doing 5 hours or longer funded sessions are required to pay for the consumables. We provide healthy snacks, fresh meals (for children attending 5 hours or longer session) & milk during the day. Drinking water is accessible to children at all times.

CHILD'S LEARNING JOURNEYS, PROGRESS MATTERS AND THE EYFS: All children will be assigned a keyperson when starting Sahan. You will meet this person normally during settling-in sessions when your child starts. We will be using the EYFS to support us to plan next steps for your child and use written observations

and photographs to add to their learning journey. We observe your child's interest to plan activities and to provide new and beneficial learning experiences. Your child will have a learning journey and be monitored in seven areas of learning using Family App. We encourage all parents to become involved with these as you can access your Parent/Carer account at any time through your mobile/tablet/PC. We also offer termly parent conferences available for you to discuss your child's progress with the assigned keyperson.

CHILD'S WELFARE AND SAFEGUARDING: If we have any concerns about a child's welfare and we are not satisfied with the parent's explanation, it is our responsibility to seek advice from Newham MASH team in best interest of the child's safety and welfare.

PARENTAL PERMISSION: In addition to daily visit to the local park, we also organise different events, trips and special occasions, photographs may be taken and used in the newspaper, on our website and on social media. During completion of our parent pack, you will be required to give or not give your consent.

MEDICAL CONDITIONS: If your child has a medical condition, a care plan will need to be completed jointly by parents and staff.

BIRTH CERTIFICATES: At the time of admission, the child's birth certificate should be produced for verification of name and date of birth and to confirm who has parental responsibility. Information from this will be recorded and kept in your child's file.

AMENDMENTS: Parents should inform us of any change in marital status, address, telephone number or change of parental responsibility.

TERMINATION: If there is a breach of any of these terms and conditions or if we deem any actions to be necessary in the interests of other children in Sahan, we reserve the right to suspend or terminate a child's place.

REPRESENTATIVE: Sahan & the staff employed will act in Loco Parentis for the duration of the time that the child is in our care, both on and off the premises, until a parent or chosen representative collects the child. In the case of any illness, accident, or emergency we have the right to take such actions that are deemed necessary, including arranging medical treatment, the administering of anaesthetics and hospitalisation, if necessary, even if the parents have not yet been informed or contactable.

INFORMATION SHARING: In order to provide comprehensive care and support for your child, we may share relevant information with other agencies, including but not limited to health visitors, Newham Council, and schools during transition periods such as when your child starts reception or moves to a different school or nursery. By signing below, you grant us permission to share the necessary information with these parties.

AGREEMENT: These Terms and Conditions represent the brief agreement and understanding between the parents (including other carers) and the nursery. This is only brief insight of the daily operation of our nursery and the parent should be familiar with our detailed Policies & Procedures available on our website www.sahandaynursery.com or can be accessed in the Nursery Main Office. We will email you more information about the setting, settling-in process and other important information which is also a part of this agreement. We reserve the right to update / amend these Terms and Conditions at any time. Any changes in our terms and conditions will be effective automatically one month after the change(s) introduced.

I have completed this form to the best of my knowledge. If there are any change of circumstances, I will inform the nursery immediately. I understand that any misleading or inaccurate information may lead to my child's place at the nursery being terminated.

I have read and understood the above Terms and Conditions, online published policies & procedures and agree to be bound by them.

Family Application

We use Family App (an online system) to recording your child's learning journey at Sahan and for you to pass on messages to your child's keyperson through the parent's app.

Famly is a mobile application and a website which can be accessed on a computer or laptop and on any Apple or Android device such as a tablet or smart phone. By using 'Family' every child at Sahan will have their own individual learning journal. You will be able to access your child's journal by logging on with a secure username and password. Parents are only able to view their own child's journal and all information is stored on a highly secure server, which is monitored closely.

Instead of using the old paper book style way of recording, we will be able to instantly upload photos, videos and observations of your child. You get an alert through the app that something new has been added to your child's Learning Journal. By logging in, you can view what your child has been up to. A massive advantage of this system is that you can instantly add your own comments to entries and can show your child's online book to members of the family who would not usually be able to attend parent stay & play and reading sessions.

Famly allows you, as your child's primary educator, to add observations and photographs of your own as well as share your comments. We love to hear about learning and WOW moments from home to share with your child in Poppets. You will also be able to share the activities that your child has particularly enjoyed with the keyperson.

The safeguarding of our children is especially important to us. Everything that is added to Famly will be added to our nursery account and can only be viewed by nursery staff that use the system, and yourself, using your own login details. You will only have access to your child's own book, and this cannot be seen by other parents. Also, it is crucial that you do not share photos or videos from your child's book on social media or through other online platforms. **You must not take screenshots or save photos in your device without prior written consent from the Nursery.** Any incidents where this confidentiality is breached will be dealt with very seriously and may result in investigation and your access to the system being withdrawn immediately.

You can also find more information on how to access the app in the next page. We would also like to signpost you to Famly weblink for more information: <https://help.famly.co/en/collections/2776807-help-centre-for-parents>. E-safety is extremely important to us; therefore, we ask you to fill the form in the end and sign the agreement to show that you have read, understood, and agree with our guidelines.

If you have any further questions, please do not hesitate to contact us.

Kind Regards,

Sahan Nursery

Agreed guidelines for accessing and using.

As a parent, I will:

- **Not** publish any of my child's observations or photographs on any social media site.
- Keep the login details within my trusted family.
- **Not** to do screenshots, screen recordings or download images in personal devices without prior written consent from the Nursery Management.

I accept that my child's photograph may appear on their friends learning journal account and I may see pictures of my child's friends on my child's personal account. I will speak to a member of staff if I experience any difficulties accessing my child's learning journey.

I agree to the above guidelines and have read accompanying information sheets.
